

Grant Application

Before You Begin

The following are some helpful tips to get started:

- Add mail@grantapplication.com to your address book or safe senders list to ensure you receive all system communications.
- Before filling out the application, you may find it helpful to click the "Printer Friendly Version" button above. This will offer you a preview of all of the questions on the application.
- After you have previewed the application, you may wish to utilize a word-processing tool (i.e. Microsoft Word), to craft your responses, then cut and paste them into the application.
- You may save and return to your application later by clicking the "Save & Finish Later" button at the bottom of each screen. You may return to your saved application by logging into your "My Account" page at this URL:
<https://us.grantrequest.com/accountmanager.aspx?sid=6394>
- To move to the next page, please click the "Next Page" button at the bottom of the page or click the tab at the top of the page.
- When clicking the "Review & Submit" button, you will be required to review the entire application one final time before clicking the "Submit Application" button at the bottom of the screen.

Grant Proposal

In a brief narrative, provide an introductory overview of your organization, emphasizing its commitment to advancing education or mental health equity. Outline the specific services you intend to provide with the grant funding, detailing measurable outcomes achieved to date and the impact you aspire to make in the future. Describe the populations you serve and the communities that have directly benefited from your organization's initiatives. Last, please tell us about the diversity, including but not limited to the racial and gender composition of your executive director, board, and staff.
